

## Hillsboro School District Upcoming Curriculum/Incoming Student Information Nights

*Spring is the time when we begin to prepare our students for the important transitions they'll face in the fall--from five-year-olds who will be starting their school journey in kindergarten, to sixth graders preparing for the transition to middle school, to eighth graders entering high school. Each of our schools will be hosting one or more events to provide information to these transitioning students and their parents, so to help you plan we've compiled all the dates and times here. For more details, please contact your child's school.*

High School: Incoming 9th Graders			
School	Date	Time	Topics Covered
<b>Century</b>	March 2	7pm	AP, AVID, focused programs of study, general core, elective courses, clubs & activities.
<b>Glencoe</b>	February 11	6:30pm	High school diploma/graduation requirements, Freshman Focus, AVID, AP, elective courses, clubs & activities.
